## Lollipop lady bids farewell after 20 years

Children and parents from Bassingbourn village paid a fond farewell to their lollipop lady as she took her place at the crossing for the last time on Friday.

Sue Lee is retiring after 20 years of escorting children across the road safely, and was presented with a bouquet of flowers from Bassingbourn Primary School, Bassingbourn Community Village College and Bassingbourn Parish Council as a thank you for her efforts.

Elaine Douglass, parish councillor for Bassingbourn, said: "Sue has played a valuable part in the daily lives of not only the children and parents that use the crossing, but all of the village, including the elderly who often stop to say hello as they pass by."

# Everyone is on the lookout for Lulu

Dozens of people have turned out to help search for a tiny chihuahua that went missing in Royston after being chased by another dog.

Heartbroken Kaz Wagland has been moved to tears by the numbers of fellow dog owners that have joined her search for the much loved two-year-old pet, which vanished on Sunday, September 28.

"I can't believe the response I have had. I don't know how I'm ever going to repay everybody," said Kaz, who runs her own dog walking business.

Little Lulu bolted when she was

chased by a black labrador during a walk close to South End, Bassingbourn, at around 6.15pm along an area known locally as the 'Litlington stretch'.

Kaz, who has cared for Lulu since she was an eight-week-old pup, has been looking for her precious dog every day and night and on Saturday around 40 helpers turned out to join the search.

■ Have you seen missing Lulu?

"I was hoping that would be the day we would find her but nobody found anything," said Kaz, of Grays Close, Royston.

Kaz said her other dogs – three King Charles Cavaliers and four golden retrievers – are missing Lulu, who slept in Kaz's bed at night.

"Night-time is my worst time because I think of her out there and cold," she said. "It is heartbreaking really."

The day after her disappearance
